

### **About:**

Johns Plumbing was founded in 1981 by Bill Johns. Our team operates in Downtown Chicago and Lake Shore Drive High Rise Buildings, and the Chicago Land area. With a fleet of 25+ plumbers with vehicles and a mobile supply delivery truck system our team is ready to help! **Our Specialties include ongoing maintenance, emergency service and Water Riser Replacements.** Providing outstanding quality and a personal touch to make sure every customer is 100% satisfied with our service. We are experienced in interior plumbing on older buildings, solving difficult plumbing issues, providing cost effective options and flexible enough to meet demanding schedules.

### **Services:**

- 24/7 Emergency repairs (Call main line 773-286-9030)
- Budgetary pricing for upcoming major projects
- Occupied building Water Riser Replacements
  - Re-piping entire condo buildings while occupants are living there
- Maintenance drain rodding
- Pressure Reducing Valve (PRV) rebalancing and rebuilding
